Welcome

Sue Dickens - New Foundations Trust (11am)

Year 6 exclusions up to Year 11 accepted. Five days after exclusion school contacts Sue. Sue works with school. (See Placement Process Flowchart in resources tab). Sue then works with the family. Sue gets to know the different cultures of schools. Sue will also contact agencies who the student has been referred to currently or in the past.

IRF 100 hours. Sue has access to a good councillor who communicates directly with the school to implement strategies.

Average time placement is made once Sue is notified: High School: 16 Primary School: 35

Percentage of exclusions of Year 7 and 8 students – mostly in the PPA area. Sue has only had to direct a school three times in the past. Concerns expressed by some principals that there is no transparency in the consultation process resulting in a school being directed.

Apologies

Bec KauKau (*Pasifika Principal's Conference*). Derek Linington, Gill Hedley, Heather Tanner, John Rohs, Sue Blakely, Raj Dullabh
